

Here are the handouts for the speakers who will be sharing their presentations. You can choose between two formats: 4 slides per page or 6 slides per page, depending on your preference for easier viewing or paper-saving. Feel free to download them below. Keep in mind that additional handouts may be added right up to the day of the conference, so be sure to check back for any updates.

Please note that not all speakers will be sharing their presentations and/or handouts.
