Enhancing Small Baby Care: Collaborative Standardization of Care Practices & Education
Children's Wisconsin

This year, SWANN's philanthropy theme is: Building Babies Brains One Book At A Time!

Even the youngest of babies can benefit from books! Please donate books that will be delivered to local NICUs to give to babies and their families.

- Please no religious or political topics, and we encourage books featuring all races and ethnicities.
- Board books are best as they can be cleaned easier, but all books will be accepted.
- Books featuring bold colors, black & white, letters, numbers, animals, repetition, rhymes, tactile features are all great options.

A monetary donation can also be made through the SWANN Paypal account (swannofwisconsin@gmail.com).
