

FUEL2FLOURISH
Nourishing Minds, Empowering Nurses

Announcement from NAHN Central Florida

We are excited to announce that NAHN Central Florida is partnering with local community organizations to provide educational programs aimed at empowering our youth. This initiative aligns with the White House's national strategy, Hunger, Nutrition, and Health, to end hunger and reduce diet-related diseases by 2030. Together, we're committed to building a healthier future for our community.

Would you like to join us in this impactful work? Get involved and help us create lasting change for the next generation!

Project Goals

- Deliver Mental Health Education to Youth
 - Deliver Nutrition Education to Youth
 - Expose Youth to a Career in Nursing

This will be accomplished by providing 3 separate lessons
We will provide age appropriate health educational materials
