

## From the Board of Directors

### Pacific Northwest Chapter of the American Society for Pain Management Nursing

Welcome to 2025!

Your Board of Directors has been busy planning relevant and timely educational offerings for you. More on that in a moment, but first we would like to thank you for renewing your membership. With the dues of only \$25 a year, you will be supporting our ability to continue to provide **credentialed educational programs**. As a member you will have **free access** to all of our education events and their associated continuing education (CE) credits.

If you are due to renew or are interested in supporting this work, [joining is easy](#). Visit our Nursing Network [website](#) to join our chapter as well as ASPMN. Our chapter includes some of the brightest and experienced pain management nurses in the country who are ready to support you in your practice.

This year we are offering a **scholarship of \$500** towards registration at the 2025 ASPMN National Conference, October 15-18 in Aurora, Colorado. **All active members as of May 1, 2025 will be eligible for the drawing.** Could this be your year to attend? More details on how to participate in the drawing will be announced in the coming months.
