TRANSITIONS IN CARE FROM PEDIATRIC TO ADULT EPILEPSY PRACTICE

Presented by:

Adam Greenberg, Sarah Stoney, & Dr. Bethany Thomas

Presenters will review the general framework that supports the safe and effective transition to adult care for patients with epilepsy. The framework will be presented by a panel that includes the patient perspective, pediatric and adult epilepsy clinicians, and a transition specialist.

INTRODUCTION TO THE PA OFFICE OF VOCATIONAL REHABILITATION

Presented by:

Lori Holdredge

The PA Office of Vocational Rehabilitation (OVR) is a state agency that assists people with disabilities regarding employment; working with students beginning at age 14 and continuing through someone's working life as needed.

This presentation will discuss OVR, how to make a referral, and transition to employment.
