Note: this event is not a continuing medical education (CME) program.

This program is sponsored by Apellis Pharmaceuticals. Guests and spouses of attendees may not attend the reception or any meals associated with the reception.

Restrictions for food, drinks, and educational items: Due to state laws, healthcare practitioners licensed in certain states (eg, Vermont) may not be eligible to receive food, drinks, or educational items that may be provided. Government employees may be subject to laws, regulations, or rules that prohibit or limit receipt of gifts, meals, and items of value provided by third parties. We ask that government employees comply with any such laws, regulations, or rules.

Public Disclosure: Apellis may publicly disclose attendees' information and the value of any food, drink, educational item, or any other item of value provided to attendees in connection with this program in order to comply with regulatory and legal requirements.

ANNA, American Nephrology Nurses Association; C3G, C3 glomerulopathy; IC-MPGN, immune complex membranoproliferative glomerulonephritis.
