Dr. Denise Marki-Werzen,  
15 Roseland Avenue  
Roseland, NJ 07052

Dear Dr. Denise Marki-Werzen,

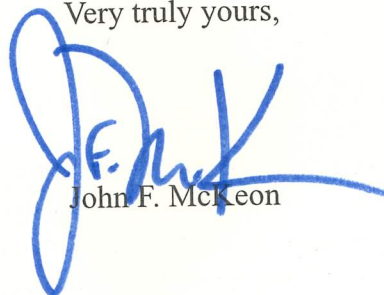

It is with great pride that I extend my heartfelt congratulations on your recognition by the National Association of School of Nurses! This honor highlights your exceptional dedication to the health and wellbeing of the students at West Orange High School.

Your journey from earning your bachelor's degree to achieving your Doctorate in Public Health is inspiring. Your seventeen years of service to the West Orange School District demonstrates an unwavering commitment to our community's well being.

School nurses like yourself are essential to our educational system, creating environments where children can succeed. Your leadership as president of Essex County School Nurses further amplifies your positive impact.

Congratulations also on becoming a grandmother to Pari Irene. The people of New Jersey are fortunate to have dedicated professionals like you serving our schools.

Very truly yours,

John F. McKeon
