

The New England Nursing Clinical Faculty and Preceptor Academy

Are you a clinical nurse Preceptor or educator interested in developing your teaching skills?

The objective of the Nursing Preceptor Academy is to develop and support preceptors and clinical faculty to strengthen the nursing workforce across care settings.

Through a variety of activities, participants will learn to develop and implement strategies to improve the training, support, employment, and retention of nurses.

Live and recorded **Preceptor Skills Webinars** will enhance your knowledge and skills. A **newsletter** shares resources and tips. These are free to any nurse preceptor.

For selected nurse educators and preceptors, we offer a \$2,000 stipend and support to attend a conference, **Teaching of Tomorrow**.

To receive the stipend, you must apply and agree to the following:

- Attend all four days of the Teaching of Tomorrow conference.
- Participate in evaluation sessions at the end of each weekend.
- Precept a minimum of two students/new hires.
- Participate in three surveys.
- Attend at least two Preceptor Skills Webinars.
