

RESEARCH VOLUNTEERS NEEDED

Are you an Emergency Department Registered Nurse with at least six months of experience who serves in the Triage role at least on a casual basis?

Would you be interested in participating in a research study on the relationship between nursing empathy and triage decision-making?

As a participant in this study, you will be asked to complete an online survey. It will take 10-15 minutes to complete the survey.

You may be eligible to participate if you meet the following criteria:

- *You are an Emergency Department Registered Nurse with at least six months of clinical experience*
- *You serve in the triage role in the Emergency Department at least on a casual basis*
- *You can read and speak English*

Participants who fully complete the survey are eligible for a \$5.00 electronic Amazon gift card incentive. You will also be entered into a drawing for either a \$100.00 electronic Amazon gift card or one of two \$50.00 Starbucks electronic gift cards.
