## Accreditation

This activity has been submitted to the American Society of Perianesthesia Nurses for approval to award contact hours.

The American Society of Perianesthesia Nurses is accredited as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

For information on contact hours please contact the nurse planner Brandy Boissoneault at [boissoneaultb@northernlight.org](mailto:boissoneaultb@northernlight.org)

### Outcome:

To enable the nurse to increase knowledge on perianesthesia nursing; interprofessional collaboration, pediatric emergencies, nursing ethics, establishing a Code Lavender Program in a Care Environment, XXXXXXXXX demonstrated by 80% or more of the participants scoring 80% or higher on the post test.

### Target Audience:

All perianesthesia nurses and nurses interested in the specialty of perianesthesia nursing.

### Standards for Integrity and Independence:

The provider will collect information from all individuals in a position to control content regarding financial relationships with ineligible companies, analyze the data for relevant financial relationships related to the educational content; and mitigate relevant financial relationships. The results of this analysis will be reported in the course presentation materials on the required handout.
