HAWAII CHAPTER of
American Society for PeriAnesthesia Nurses
(ASPAN)

**HIPAN ANNUAL
CONFERENCE**

The Queen's Medical Center
Kamehameha Auditorium
1301 Punchbowl Street | Honolulu, Hawaii 96813

November 1, 2025
7:00am – 3:45pm

FOCUS OF CONFERENCE

The Hawai'i Chapter of PeriAnesthesia Nurses (HIPAN) educational offerings provide important links to advancing our professional nursing practice. This year's educational offering include the following: Infection Prevention at the Edges of Surgery, Code Crimson and the Science of Massive Transfusions, Postoperative Delirium in Surgical Patients, GLP-1 Agonists and their Hidden Risks, Anesthesia Medications Across Perianesthesia Phases of Care, and Vigilant Perianesthesia Nursing Care: Preventing Human Error. This year we welcome our ASPAN Regional Director of Region One, Chanda Hassemer.

American Association of Perianesthesia Nurses (ASPAN), the professional organization for the specialty of PeriAnesthesia nursing, is responsible for defining and establishing the scope of PeriAnesthesia nursing. In doing so, ASPAN recognizes the role of the American Nurses Association (ANA) in defining the scope of practice for the nursing profession as a whole. ASPAN's goal is to enhance knowledge and skills in the PeriAnesthesia Practice.

Continental Breakfast and Lunch provided. Free Parking included.

*A printed syllabus and any handouts will only be available at HIPAN.net, beginning October 30, 2025.
Receipts will be given out on day of conference. Information in this brochure subject to change.*

PROGRAM *(subject to change)*
