

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,*

Greetings: Know ye that this official recognition is presented to all observing

PeriAnesthesia Nurses Awareness Week

February 2-8, 2026

In times of illness or injury, Texans depend upon medical professionals for exemplary care in hospitals, clinics, and outpatient facilities. An integral part of our healthcare system are perianesthesia nurses who develop and implement patient care plans alongside doctors, surgeons, and anesthesiologists. Their specialized knowledge of state-of-the-art surgical procedures provide the utmost safety and comfort to patients throughout their time in their care, from preoperative consultation through post-anesthesia care.

Perianesthesia nurses serve the Lone Star State with distinction as they care for their fellow Texans. Working to provide exceptional care for pain management and comfort in our state showcases the skill and compassion that nursing commands. These men and women represent the best of our great state, and I am proud to call them fellow Texans.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe PeriAnesthesia Nurses Awareness Week with appropriate programs and activities.

In testimony whereof, I have herunto signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 4th day of December, 2025.

A handwritten signature in black ink, appearing to read "Greg Abbott".

Greg Abbott
Governor of Texas
