

# Research Symposium

**March 23rd: check-in 5 pm begins 5:30 pm**

**RSVP below**

**Presentation/Poster submission deadline: February 23**

**Notifications will be sent by March 2nd**

**JOIN us to learn or present. All researchers welcome!**

## Why Attend/Present

A researcher should present at a professional symposium to share valuable clinical insights, research findings, and innovative practices that can enhance patient care.

## Networking

This symposium provides an opportunity for professional growth, networking with peers, and contributing to the advancement of the nursing field.

## Healthy Habits

Nurses coming together fosters support and shared strategies for stress management and self-care, helping prevent burnout and promote healthy habits.

## Food is Provided

Heavy hors d'oeuvres will be served

**UMHB**
