THE JEWISH HOSPITAL

**A hospital with a legacy of healing,
in the heart of Cincinnati.**

The Jewish Hospital — Mercy Health is a community hospital faithful to its Jewish heritage and grounded in the Jewish and Catholic traditions of service to the community. Our purpose is to reveal God's love for all, especially the poor and vulnerable, through the delivery of compassionate health care services and the education of health care professionals.

AMERICAN
ASSOCIATION
of CRITICAL-CARE
NURSES

GREATER CINCINNATI AACN

Supporting the local community of critical care nurses.

Patients and their families rely on nurses at the most vulnerable times of their lives. Acute and critical care nurses rely on AACN for expert knowledge and the influence to fulfill their promise to patients and their families. AACN drives excellence because nothing less is acceptable.

The Greater Cincinnati Chapter of AACN vision and goals are to support the local community of critical care nurses by providing educational events, networking opportunities, and encouraging professional growth.

PARAMEDIC NETWORK

Helping Build a Community for Healthcare Innovation.

The Paramedic Network is leading the advancement of the Paramedicine Profession globally by improving the way community health practitioners communicate, collaborate, educate and practice. We strengthen and unite healthcare professionals around the world by providing a comprehensive platform that connects practitioners and supports them with the resources they need for quality patient care and positive outcomes.

**OHIO ORGANIZATION
FOR NURSING LEADERSHIP**
OHIO HOSPITAL ASSOCIATION
GREATER CINCINNATI CHAPTER

OHIO ORGANIZATION FOR NURSING LEADERSHIP

**To shape health care through innovative
and expert nursing leadership.**

The Greater Cincinnati Nurse Organization for Nursing Leadership (GCONL) is a group of nurse leaders serving as the catalyst for innovative healthcare in the greater Cincinnati area, Ohio, and the nation. Nurse leaders are critical to the effective and efficient delivery of safe patient care within healthcare organizations across the continuum of care. We serve to empower nurse leaders to advance changes in healthcare.

LINDNER CENTER OF HOPE

**A center of excellence centered
around you. Let's begin with HOPE.**

Since 2008, Lindner Center of HOPE has served as a lifeline to tens of thousands who've faced the struggle of mental illness or addiction. Offering a wide range of mental health services and treatments in an atmosphere that promotes long-term healing, we are staffed by some of the nation's best psychiatric experts. Lindner Center of HOPE is a place entirely dedicated to hope – and finding your unique path forward.

MERCY ANDERSON

Award-winning, compassionate health care for Cincinnati's East Side since 1984

At Mercy Health — Anderson Hospital, located on Cincinnati's East Side, we understand the value of exceeding your and your family's needs in the healing process. That's why we foster a patient and family-centered atmosphere, backed, of course, by award-winning care.

University of Cincinnati **College of Nursing**

UC Nurses. We See Leaders

At UC College of Nursing, we know nurses do more than care for patients — they lead teams, advance research, shape policies and drive innovation in healthcare. For more than 130 years, we have shaped nurses who blend compassion, critical thinking, evidence-based practice and clinical expertise to master both the art and science of care.

Whether you are just beginning your nursing journey or advancing your career, your path to purpose starts here.

UC Health

Air Care & Mobile Care

We bring the world-class care of UC Medical Center to the patient through advanced transport.

UC Health We support the mission of UC Health by bringing the World Class care of University of Cincinnati Medical Center to the patient through Advanced Transport Medicine. Our vision is to be the recognized World Leader in transport medicine — the standard by which other programs are measured.

Megan Schrantz

Ed.D., LPCC

Dr. Schrantz sees both outpatient and residential patients at the Lindner Center of HOPE.

Her areas of interest include posttraumatic stress, anxiety, depression, and issues specific to child and adolescent development. Dr. Schrantz used cognitive behavioral, psychodynamic, and trauma-focused interventions including Eye Movement Desensitization and Reprocessing (EMDR) and Trauma-Focused Cognitive Behavioral Therapy (TF-CBT). Dr. Schrantz has 36 years experience working in the field.

Amy Grant

DNP, RN, CPN

Amy Grant serves as a Sr. Clinical Quality Specialist at Cincinnati Children's, where she is the quality improvement lead for the Office of Well-Being.

A pediatric nurse by training, Amy has worked across cardiology, mental health, hematology, and nursing education. She holds a BS in Psychology (Indiana Wesleyan University), an MSN in Nursing Education (Xavier University), and a DNP (Northern Kentucky University), with doctoral work on nurse fatigue and burnout. Amy presents on healthcare well-being at local and national meetings, and coaches multidisciplinary teams across the organization. Beyond work, she finds meaning in her family, being a wife and mother, friendships, and her faith.
