

All meetings are open to Broward County Chapter members. We encourage you to bring a guest, as part of our *Be a Mentor, Bring a Guest* initiative, to any meeting which is held at one of the local hospitals. These meetings are sponsored by the hospital and have no restrictions on attendance. Guests do not have to be nurses although RNs are the only healthcare professionals who are afforded full membership in AACN. Other healthcare professionals are welcome. **Only RNs are eligible for CEUs at our monthly meetings.**

When meetings are held at a restaurant, these are industry sponsored and have strict guidelines that must be followed. Guests who are not healthcare professionals are not invited to these meetings. **We usually have a limited number of seats, which are for our Broward County Chapter members only.**

If there are seats available, non-Broward County AACN Chapter members will be eligible to attend if they are a National AACN member and they join the Broward County Chapter.

Thank you, in advance, for adhering to these requests. As always, the Broward County Chapter of AACN is committed to providing its members and their guests quality critical-care education.
