NURSE

Americus Diamond Support Pendant

The circle of support pendant is created in 14 karat white gold and is set with approximately 0.05 ctw of a round brilliant cut diamond. The diamond is cut from optimum brilliance and fire. The diamonds are “F G” in color, and “S I 1” in clarity.

- ▶ Americus Diamond Fine Jewelry has donated their circle of support of diamond pendant, which has been independently appraised by universal gemological services as \$500.00 retail replacement value.
- ▶ The circle of Support pendant was designed by the owner of Americus Diamond and created by Americus Diamond goldsmiths in support of schools, charities and religious organizations.
