

Annual Trends in Critical Care and Nursing Leadership Symposium

REGISTER TODAY

Registration is now open for attendees and sponsors for the Annual Trends in Critical Care and Nursing Leadership Symposium on April 10, 2026, at the Jewish Hospital Education Center. Join nursing leaders and critical care professionals for a day of expert insights, emerging trends, and innovative strategies shaping the future of healthcare.

Greater Cincinnati Chapter of AACN

Our vision and goals are to support the local community of critical care nurses by providing educational events, networking opportunities, and encouraging professional growth.
