

Spring Immunization Webinars: Overview of NJAC 8:57, NJIIS School Module and Immunization Dashboard

Date: March 2, 2026

Public Health Message Type: Alert Advisory Update Information

Intended Audience: All public health partners Health Care providers

Infection preventionists Local health departments Schools/child care ACOs

Animal health professionals Other:

The New Jersey Department of Health Vaccine Preventable Disease Program invites you to attend 2 informational webinars: 1) NJAC 8:57 Regulatory Overview Webinar on New Jersey Immunization Information System, Children in Childcare and Schools, and Higher Education Immunization; 2) NJIIS School Module Overview & Immunization Dashboard Webinar.

Sessions are designed for childcare providers, K–12 schools, institutions of higher education, and local health department staff. The webinars will be offered on multiple dates for your convenience. We strongly encourage all relevant staff involved in immunization record review, reporting, compliance, or NJIIS use to attend at least one session for each webinar.

NJAC 8:57 Regulatory Overview Webinar (Subchapters 3, 4, and 6)

This session will review key requirements outlined in NJAC 8:57, Subchapters 3, 4, and 6, including immunization requirements, documentation standards, provisional admission, exemptions, audits, exclusions, and related compliance responsibilities for schools and childcare facilities.

Dates (choose one):	Time	Registration Link
Thursday, March 12	2:30-3:30 PM	zoomgov.com/meeting/register/c3r9t2Z-RjCuzRMPNjQwMQ
