

School Nurse Skills Practice

A course for Michigan School Nurses to learn, review and practice the skills needed to be expert nurse providers in the school setting.

This course will cover the nursing process and practice in caring for:

- tracheostomies
- ostomies
- catheterizations
- enteral feedings

August 4, 2026 9:00am-1:00pm

**Cook-DeVos Center for Health Sciences
301 Michigan NE, Grand Rapids, MI 49503**

Cost: \$250

NURSE CONTINUING EDUCATION APPROVAL

Kirkhof College of Nursing is the provider of nursing continuing education for this activity and is an approved provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

To receive 4 nursing contact hours for the session, participants must attend the session in its entirety and complete the evaluation tool.
