Monthly Education Meetings

So far we've had two wonderful education meetings. March was all about hemodynamic monitoring with guest speaker Dr. Chiedozie Udeh while April focused on oxygen delivery and consumption. Dr. Hazam El-Khatib from AGH was the guest speaker on this topic. Stay tuned for more education meetings!

Scholarship Winners!

Congratulations to **Carolyn Zaffino** on being chosen as the recipient for the 2026 NTI Scholarship! We can't wait to hear about your experience!!

Upcoming Meetings

May 21 - "aHUS in Malignant Hypertension Patients" @ Morton's Steakhouse
