

## **Vonda Lucero, MSN, RN, CWON**

Vonda Lucero, MSN, RN, CWON, is a Certified Nurse at Medical Center Health System in Odessa, Texas.

She received her BSN and MSN from Texas Tech University in Lubbock, Texas.

She has been certified in wound and ostomy care through the WOCNCB for 15 years.

At Medical Center Hospital, Vonda is Associate Chief Nursing Officer for Centers for Women's and Infants, Wound Care, & Infusion Services. She oversees the outpatient/inpatient wound care program, the pressure injury prevention team, infusion services, and the maternal child division.

Vonda has been instrumental in implementing a system-wide multidisciplinary pressure injury prevention program utilizing prophylactic foam dressings and the Smith & Nephew Leaf patient monitoring system.

Her most recent work in pressure prevention revolves around preventing medical device-related and proning-related pressure injuries.
