2027 CALL FOR ABSTRACTS

About The Symposium

The Hawai'i Nursing Scientific Symposium is Hawai'i's only conference that showcases nursing science (research, EBP, QI/PI) and programmatic innovations across the state. There will be presentations by nurse researchers, educators, clinicians, and administrators who are dedicated to nurse science and improving patient care outcomes.

Symposium Outcomes

Attendees will be able to:

- Describe scientific studies and programmatic innovations being conducted by nurses across the State of Hawaii.
- Apply knowledge gained at the Symposium to their everyday practice.

ABSTRACT SUBMISSION DETAILS

General Information

- Abstracts may highlight original research, quality improvement projects, evidence-based practice, or programmatic innovations. Projects may be ongoing.
- Submissions from nurses working in all areas, including academia, acute care, long-term care, public health, and community health, are strongly encouraged.
- By submitting an abstract, the individual or team agrees that at least one person will register for, attend, and present at the Symposium.
- Presenters are responsible for their expenses related to attending the Symposium, including registration fees and travel accommodations.
- Presenters will be asked to identify any potential conflict of interest related to the content to be offered (e.g., commercial interest, affiliation with a vendor, and/or receipt of royalties) and affirm that their abstract presentations will not be used to sell a particular product or service. HSCN reserves the right to rescind the acceptance of an abstract due to any conflict of interest discovered after the fact.
- If accepted, a digital copy of your presentation (.ppt) or poster and any other presentation materials will need to be submitted to the conference planning committee.
