

RICSNA

INVITES YOU TO

OUR FALL EVENT

SATURDAY
OCTOBER 3RD, 2026
9 AM - 2 PM

WYNDHAM NEWPORT HOTEL
240 AQUIDNECK AVENUE,
MIDDLETOWN, RI 02842

LUNCH IS PROVIDED

David Geyer, PhD, RN, CPNP-PC

Dr. Elizabeth S Jacobs, MD

CEU's Pending

PRESENTORS

Professor David Geyer will present on caring for students with medical complexities, with a focus on scope of practice, applicable policies, and Medicaid. The session will also provide a high-level overview of G, J, and GJ feeding tubes and central lines, while incorporating insights from his research on the experiences of families navigating complex medical care.

Dr. Elizabeth Jacobs will provide an update on the HeartSAFE Schools RI initiative, highlighting recent developments, best practices, and ongoing efforts to promote cardiac emergency preparedness and improve student safety in schools.

Nichole Collins will introduce the association's newly redesigned website, showcasing its enhanced features, improved navigation, and resources available to support school health professionals.
