COMMITTEE LEADERSHIP & MEMBERSHIP

**Chad Flora, BSN,
RN, CNOR**

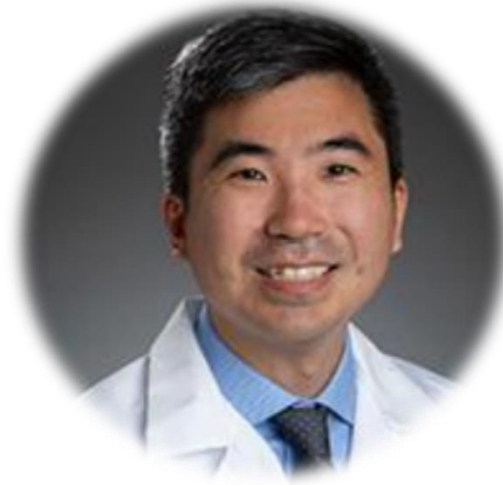

Chad Flora is the Clinical Director for Biogel Surgical Gloves, where he leads the U.S. Clinical Specialist Team. Chad received a BS in Biomedical Science from Texas A&M University and his BSN from Texas Tech University. In addition to surgical patient care, his experience includes work with quality measures, process improvement programs, regulatory compliance, and SSI prevention bundles. Chad is a member and Past President of the Greater Houston Chapter of AORN.

Topic: *Implementing a Climate of Safety: Consensus Recommendations on Surgical Gloving*

Objectives:

1. Describe how the clinical practice recommendations from the Consensus Document and the AORN Guidelines for Perioperative Practice provide safety for the patient and the clinician.
2. Review the recommendations pertaining to proper glove fit, double gloving practice, the use of indicator systems, and timely glove changes during surgery.
3. Explore options when implementing glove recommendation changes into clinical practice in the operating room.

CONFIDENTIAL

Dr. Gene Huang

Dr. Gene Huang is a practicing pediatric urologist at Kaiser Permanente Los Angeles Medical Center. He completed his medical degree at Northeastern Ohio Medical University, followed by a urology residency at Loma Linda University Medical Center, and a pediatric urology fellowship at Texas Children's Hospital and Baylor College of Medicine.

Topic: *Pediatric Urology for Perioperative Nurses and Advances in Robotics*

Objectives:

1. Explain and apply evidence-based best practices for safe urethral catheterization.
2. Identify and analyze common complications associated with urologic tubes, drains, and stents and determine appropriate troubleshooting interventions.
3. Describe robotic approaches in pediatric urology and discuss their clinical applications.

CONTINUING EDUCATION (CE) ONLINE EVALUATION
