New York, NY 10025**

New York City Chapter of AACN

President's Message

It is with great pride, gratitude, and excitement that I write to you as President of the NYC AACN Chapter. Each day, I am inspired by the unwavering dedication, compassion, and resilience that you bring to the care of patients and their families. In moments of uncertainty, you are the steady presence. In times of vulnerability, you are the voice of comfort, advocacy, and healing. Your hard work does not go unnoticed—it is the foundation upon which our healthcare community stands.

As nurses, we know that our strength lies not only in our individual expertise, but in the collective power of our shared experiences. Every shift, every patient interaction, every conversation with colleagues contributes to a deeper understanding of what it means to care. We listen, we learn, and we grow together.

It is in this spirit that I warmly invite you to join us at the 2026 Challenges Conference—a space created just for you. This year's theme, "Every Voice, Every Story, Every Table," reflects the heart of our profession. It is a celebration of inclusion, collaboration, and the rich diversity of perspectives that make nursing so extraordinary.

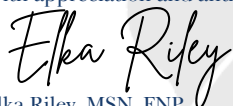

At this conference, you will have the opportunity to:

- Connect with fellow nurses who understand your journey and share your passion
- Learn from thought leaders and peers through engaging and insightful sessions
- Be inspired by the stories that shape our practice and strengthen our purpose
- Enjoy moments of fun and camaraderie, including raffles and community-building experiences

We envision this gathering as more than a conference—it is a table where every nurse has a seat. A place where your voice is heard, your story is valued, and your contributions are uplifted. Whether you are sharing a breakthrough, reflecting on a challenge, or simply listening to others, you are helping to build a stronger, more connected nursing community.

Together, we create an environment where respect, compassion, and collaboration thrive. We support one another. We advocate together. And we continue to elevate the profession we love. Thank you for all that you do—your commitment, your strength, and your heart make an immeasurable difference every single day. I look forward to welcoming you to the 2026 Challenges Conference, where we will come together as one community.

With appreciation and anticipation,

Elka Riley, MSN, FNP
Chapter President
New York City Chapter of AACN
