In Memoriam

Diana Sullivan

Diana Sullivan, a former Chapter 1504 president, Friend, Mentor, Teacher, Nurse, Mother, Wife, Grandmother, Girl Scout and nurse activist/advocate.

Everyone has a different story. I first met Diana as my OR Elective teacher back in nursing school. I started my career right afterwards. When I came back to AORN, she was there. She was the ISNA Chapter representative, started talking about smoke evacuation. Soon after, I started talking about Chapter activities. Diana took me up on them, bike rides mostly. There I learned about her family, adventures in Girl Scouts. Taking adults to the Girl Scout International Chalet in Switzerland. She won the second basket at our reboot meeting, as a member emeritus. She was an amazing person, she never stopped planning. Talking about her

grandchildren, her next hiking trip, our next bike ride. After our reboot meeting, she was diagnosed with pancreatic cancer in mid August. She passed away on September 11th, surrounded by loved ones. She will be missed by many people. If you would like more details, please reach out to AORN1504@gmail.com and we can pass along information as it becomes available.
