"These stories shine the light of love and hope through the experience of dying."

Rev. Lee Franklin, Chaplain, BCC., M.Div.

"Should be required reading for everyone who works with hospice patients."

Dr. Rob Cowgill, MD

"I highly recommend reading these stories. They will impact all who are experiencing serious illness, those directly involved with end of life issues and all of us dealing with our own mortalities."

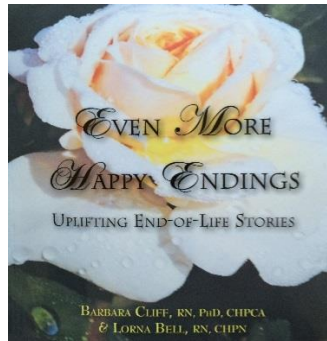

Judy Lentz, RN, MSN, FPCN
