PRESENTED BY: The Stroke Program at University Medical Center New Orleans (UMCNO)

COURSE DESCRIPTION: A day-long conference to address the latest guidelines and advancements in patient-centered, interdisciplinary stroke care and treatment.

COURSE OBJECTIVES: At the conclusion of the course, the participant will be able to:

- Describe the components of stroke care—EMS Prehospital, ED Management, ICU care, and rehab/restorative care.
- Identify current pharmacologic modalities, clinical presentation and clinical time frames.
- Understand the structures of brain and cerebral vasculature and the correlation with clinical signs & symptoms.
- Evaluate current treatment options beyond t-PA.
- Recognize incidence of stroke in women.

FEES: All LCMC Facilities Employees-\$40; All others-\$75

REGISTRATION IS REQUIRED: To register, contact the Nursing Education Department at UMCNO: cynthia.emrick@lcmchealth.org or 504-702-2070. If you require special assistance, please let us know at the time you register.

CREDITS: 5.5 contact hours will be awarded to nurses who arrive on time, participate, remain until program's conclusion and complete an evaluation form.

This activity has been submitted to South Central Accreditation Program for approval to award contact hours. South Central Accreditation Program is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
