

GVNA is looking for your input.
Consider volunteering on one of these committees

Nominations/Awards Committee

This committee promotes and coordinate nominations for annual Association Awards and elections for the Board of Directors (awards.gvna@gmail.com)

Bylaws Committee

This committee reviews and evaluates existing bylaws every 2 years, consider changes suggested by members and prepare proposed amendments for approval by the Board of Directors for submission to the voting body. (gvnassociation@gmail.com)

Finance Committee

This committee shall prepare annual budget for the fiscal year, recommend expenditures and investments of funds and identify additional financial needs (treasurer.gvna@gmail.com).

Legislative Committee

This committee shall study proposed local, state, and federal legislation for its implication for nurses, nursing and health care delivery; and advise the Board of Directors to promote desired membership as to actions necessary to promote desired legislative goals (legislative.gvna@gmail.com).

Membership Committee

This committee shall assess needs and devise and implement plans relating to membership promotion including the new graduate nurse program, recruitment and retention; review membership materials and submit recommendations to the Board of Directors (membership.gvna@gmail.com).

Program Committee

This committee shall plan, implement, and evaluate programs designed to inform Association membership about current issues relevant to nursing practice and/or health care delivery for general membership meetings and annual meetings, and develop collaborative programs with other nursing associations (programs.gvna@gmail.com).

Communications Committee

This committee shall plan and implement activities to promote a favorable relationship with the public. These should include, but not be limited to activities which enhance the image of nursing and the role of nursing in the delivery of health care. The committee is also responsible for the production of the association newsletter, and the GVNA website and Facebook page. The communications committee will also work to promote communications with the local healthcare organizations and members (communications.gvna@gmail.com).
