## CHPN Online Certification Course NOW AVAILABLE!

The online review course is a self-paced course that includes nine modules. Each module has its own objectives, slide presentation with accompanying audio, posttest, and evaluation. You will have access to the course for three months. Nursing contact hours (CE's) are awarded for each module after completing it in its entirety.

Online Modules

- Overview of Hospice and Palliative Care
- Care of the Family
- Symptom Management (Parts 1, 2, and 3)
- Pain Management (Parts 1 and 2)
- Basic Opioid Conversion Calculations
- Patterns of Disease Progression
- Final Days
- Professional Issues
- Ethics

Each module refers to content in the Core Curriculum for the Hospice and Palliative Registered Nurse, 4th edition, (2015). Each module addresses sections of the test content from the Hospice and Palliative Credentialing Center's (HPCC) CHPN Candidate Handbook.
