**About the Program:**
A focus from illness to health requires blending of science and innovation. Come and discover emerging insights for achieving population health.

**Objectives:**
Upon completion of this program, the learner will: Identify research opportunities and practice implications in a paradigm focused on health promotion.

**Target Audience:**
Registered nurses in practice, education and administration and nursing students interested in doing research.

**Continuing Education Credits:**
Northwell Health - Institute for Nursing is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission On Accreditation. **Provider #NYP251-3/31/16-11.**

To earn a contact hour certificate, participants must stay for an entire presentation, complete & submit an evaluation form.

**Disclosure Policy Information:**
Northwell Health relies upon faculty participation in its contact hour programs to provide education information that is objective and as free of bias as possible. In this spirit, and in accordance with the guidelines of the program sponsor, faculty participants are expected to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest. Accredited status does not imply endorsement by NJSNA, Northwell Health, or ANCC of any commercial products or services.

**Information:**
For information regarding directions, call the North Hills Country Club (516) 627-9100 or go to: www.northhillscc.com/dsp_directions.cfm. For difficulties in registering, please call (718/516) 470-3890 or email jferrugi@northwell.edu. Temperatures at the conference venue may fluctuate. For your comfort, we suggest bringing a sweater or jacket. The dress code is business casual: no jeans, sneakers, flip flops, or sweat suits.

**Fees:**
Include breakfast and lunch. To inquire about a Kosher meal, please email jferrugi@northwell.edu one week prior to the event to discuss.
The Northwell Health’s Institute for Nursing has created a professional practice environment to advance the art and science of nursing through the melding of nursing practice, research and education. To achieve maximum outcomes in these areas, all three components must work in collaboration with one another.

Northwell Health is New York State’s largest health care provider and private employer. With 21 hospitals and nearly 450 outpatient practices, we serve 8 million people in the metro New York and beyond. Our 61,000 employees work to change health care for the better. We’re making breakthroughs in medicine at the Feinstein Institute. We’re training the next generation of medical professionals at the visionary Hofstra Northwell School of Medicine and the School of Graduate Nursing and Physician Assistant Studies. And we offer health insurance through CareConnect. For information on our services in more than 100 medical specialties, visit Northwell.edu.
