

To our Chapter Members:

As our chapter changes and moves forward we would like to keep everyone up to date on chapter news and our dinner programs. Our last program was our first program that we did not send out a mass mailing to our chapter members. Therefore, we would like to give members an opportunity to opt into postal mailings if they did not like the online method.

To opt in to postal mailings please detach the form below and mail it to Bethany Gleason, 30 Laurel Glen Drive, Shelton, CT 06484.

We will only be sending postal mail to those that opt in. If you prefer to receive all updates via email or the website there is no need to respond. We thank you for your patience during this transition period.

Also, here are some save the dates for future events

- June 16th Dinner Program
- August 20th Oyster Festival

Please feel free to contact us about any comments, questions, or concerns.

Sincerely,

SCCC-AACN Board of Directors
