

The Greater Atlanta Chapter  
of the Hospice and Palliative Care  
Nurses Association  
presents:

## **Understanding the CHPN Recertification Process; Making Sense of 'HPAR'!**

**Presenter:**

**Petti-Jeanne Sheldon RN CHPN**

Palliative Care Coordinator  
St. Mary's Health Care System, Athens, GA

*Plan to attend this important education opportunity!  
Especially important for nurses!*

Tuesday October 4 at 6:15 pm at SouthCare Cremation and Funeral Society  
595 Franklin Road S.E. Marietta, GA 30067

**6:15 Networking, Registration and Complementary Light Supper - Cash Bar!  
Come and Relax and Meet a New Colleague!**

**7:00 Presentation: Understanding the CHPN Recertification Process!**

Nurses certified in Hospice and Palliative Nursing (CHPN) are now required to renew their certification through a process called HPAR. CHPN HPAR applications must be submitted through an online platform called LearningBuilder. This new platform was designed to be user friendly and allow candidates to submit their recertification application in a timely fashion with the ease of modern technology. HPAR through Learning Builder offers many enhancements to recertification, streamlining the process beginning with sign in, through data entry, and finally to payment submission. Using a live web connection, Petti-Jeanne will walk us through the process, making the recertification process straightforward and clear. She will show us how to navigate the HPAR process step by step, including taking the 'dread' out, answer our questions, and show us how easy it is to recertify!

**Target Audience:**

While all who are involved in hospice and palliative care are welcome, this session will be of most interest to nurses working in hospice/palliative care, especially nurses interested in becoming certified as CHPNs and those already certified who will eventually need to recertify. We look forward to seeing you!

*Continuing Education contact hour credit is available for this presentation to nurses and social workers through CEU Concepts.*

*Disclosures: Planning Committee members and faculty do not have any conflicts of interest to disclose for this program.*

***There is no fee for attending this presentation! Bring a colleague!***
