Dear Ms. Fischer and Tryon:

On behalf of the Miami VA Healthcare System, this letter is in recognition of the donation of clothes and hygiene supplies. Our Veterans will appreciate these donations immensely. Thank you for the care and support for the homeless service men and women of our Armed Forces. Every little bit counts in order to get them back on their feet and moving forward. These homeless Veterans were able to use the items, which meets their basic needs of survival. I am personally grateful for your dedication to the countless Veterans you serve.

We hope that you are able to continue your commitment to those Veterans in need, and encourage you to keep up your humanitarian efforts. Thank you for thinking of our homeless Veterans.

Sincerely yours,
