Kansas City, Kan.*

Mojtaba S. Olyaei, MD

Norton J. Greenberger, MD, Distinguished
Professor and Division Director, *Department
of Gastroenterology, University of Kansas
Medical Center, Kansas City, Kan.*

OVERVIEW

This two-day event includes a hands-on session Friday and the Live Endoscopy Course with didactic lectures following on Saturday.

The **Friday Hands-on Session** provides an opportunity for the participants to familiarize themselves with various endoscopic tools and practice different therapeutic endoscopy techniques under the direct supervision of our esteemed faculty.

On Saturday there will be “state-of-the-art” updates on important and clinically relevant topics

in Gastroenterology and Hepatology. Along with this there will be lectures on various advancements in diagnostic and therapeutic endoscopy. Attendees will learn about different endoscopic techniques and technological innovations that can be incorporated in their clinical practice.

Experts in the field will review advancements in the important topics in Gastroenterology, Hepatology and Endoscopy through a series of didactic lectures, video forums and live endoscopy cases.

**This course is endorsed by the American
Society for Gastrointestinal Endoscopy.**

**CME and CNE
credits available**
