

MULTIDISCIPLINARY PERSPECTIVES ON SUBSTANCE ABUSE

All healthcare disciplines welcome!!

THURSDAY APRIL 20TH, 2017

Join TRC-AACN for an informative day with a host of experts in various healthcare disciplines, sharing their expertise on the critical problem of substance abuse. Presentations on medical marijuana, neonatal abstinence syndrome, impaired healthcare providers, and including excerpts from corrections and prehospital providers from the Pittsburgh area.

****Registration includes admittance fee to the Zoo and time is allotted after the program for a wind down walk with the animals! Breakfast and Lunch included. Parking is free!**

Registration is via Nursing Network ONLY, NO admittance at the door permitted.
Confirmed registrants will receive admittance wristband required for entry.

Registry closes APRIL 10th!
