Greetings AORN GH Chapter 4407! Welcome to amber, russet, melancholy, and exciting, golden, soon to be chilly, October. The month of harvest and foliage that's cozy, and somewhat spooky to some as Halloween is this month. October is a magical, tranquil time of warmth and comfort, acting as a gentle transition between the lively heat of summer and the deep slumber of winter. We have a natural invitation to slow down, introspect, and engage in self reflection and self care.

In doing so we gain insight into our own internal mental states, such as our thoughts, feelings, desires, and beliefs, fostering deeper self-awareness and a better understanding of who we are and why we act, think, and react the way we do. An understanding and appreciation of who we are allows us to identify patterns in our experiences and emotions that have a strong potential to result in personal growth and development, and sustainable mental well-being and happiness. As time progresses forward this month, take time to self reflect, processing and integrating daily present events and past experiences, focus on acceptance reality, even when things need to change, to foster clarity and find a wiser path moving forward.

Blessings,

Ebony Mitchell-Wallace, MSN, RN, BSH

September and October are busy months for your board. We are all busy visiting members at various meetings and conferences. For us, this is one of the best parts of representing you nationally. We can meet you in person and really get to know your needs and your ideas for AORN. This interaction is crucial for ensuring that we as the Board can advocate for you and how AORN will continue to stay relevant and essential to perioperative nursing practice in the future. I hope that many of you will take advantage of the many opportunities to meet in person such as the Guidelines Workshop, our New Orthopedic Workshop and other regional conferences.

Education and Professional Development continue to be a central focus for our members. The Board is thankful that AORN can provide several meetings, conferences, online educational webinars and free contact hours through the AORN Journal CEs to you. Supporting you in your practice and providing you with the tools to promote optimum patient outcomes supports our associations mission and vision.

Did you know that AORN was recently featured in Forbes? Yes! Our own CEO/Executive Director, David Wyatt, PhD, RN, NEA-BC, CNOR, FAORN, FAAN represented our association to the audience as an authority on perioperative nursing and how to maintain safety even when burnout looms. This article shows the unique way the surgical team adapts to high stress/high-pressure situations and navigates them without leading to stresses producing burnout. Regional Events:

Guidelines Workshops

Earn CE credits, build real-world skills, and network face-to-face. All in a day's work in one of the most efficient nursing workshops in perioperative care.

Guidelines aren't meant to be stuffy words in a textbook. They're your lifeline in the OR. This interactive 1-day workshop cuts through the noise and brings you face-to-face with the experts who wrote the AORN Guidelines. Walk away with confident knowledge to bring these directives to your facility.

If you're looking for high-impact continuing education for nurses, this workshop is for you.

Space is limited, and this event will sell out; reserve your spot now!

The next National Legislative Forum is scheduled on Monday, September 22nd, at 6:30pm MT.

Membership Update:

New Organizational Membership

[Introducing a new Organizational Membership \[aorn.org\]](#) designed specifically for healthcare facilities aiming to support their teams. This updated package includes individual memberships for six or more team members, a leader membership, a professional development course of their choice, and a single site subscription to eGuidelines Plus. This is a fantastic opportunity for healthcare teams to enhance their professional growth and access valuable resources.

Virtual Bingo for the AORN Foundation

You and your chapter are invited to join AORN CT 0701 as a co-sponsor of the Virtual Bingo event for the AORN Foundation. Thank you to all the chapters who supported a tremendously successful 2024 fundraiser for the AORN Foundation. Together, we brought perioperative nurses and their family and friends together to learn about the AORN Foundation while having some fun. We raised \$7500 for the AORN Foundation to support perioperative nurses' professional development. Last year Virtual Bingo was sponsored by 11 AORN chapters. We had tremendous support from the AORN Foundation and AORN Chapter Relations. Let's do it again this year! [Here are the details for 2025](#)

Upcoming Live Webinars/Virtual Events:

Watch AORN's Webinar: 2026 Guide Update on Autologous Tissue Management

(Access to this webinar is free for AORN members. Non-members can purchase access.)

AORN recently released several critical changes to its "Guideline for Autologous Tissue Management." The new release features five new sections, significant reorganization, and important updates that periop teams need to know.

Tammy Hanks, DNP, CNOR®, a perioperative practice specialist at AORN and the lead author, shared a first look at the guideline updates with [AORN Journal](#), explaining, "The new sections and recommendations in this revision include interdisciplinary team approach, limbs, reproductive tissue, education, and quality."

Foundations of Laser Physics and Safety – Virtual/Live

3.25 CH | 3.25 AEU

Dates: TBD

Perioperative and procedural teams who use lasers are invited to join AORN for a half-day, virtual live training to understand and implement evidence-based laser safety processes. This course meets annual training requirements and provides guidance to keep yourself and your patients safe.

Medical Laser Safety Officer Course – Virtual/Live

11.5 CH | 11.5 AEU

Dates: TBD

Join AORN for a 1.5-day virtual live advanced course for Medical Laser Safety Officers to ensure you have the most current information and tools to safeguard your colleagues and patients — and be successful in this important leadership role.

Nora's Home Needed Items

ABOUT NORA

In 1998, Doctors Osama and Lillian Gaber established Nora's Gift Foundation® in memory of their daughter Nora, who lost her life in a tragic automobile accident at the age of seven. Nora's legacy did not end with her death. Her organ donations helped several critically ill children and fueled the creation of Nora's Home, an enduring gift to those in need.

In honor of Nora, whose life was characterized by her compassion and concern for others, Nora's Home aims to improve the outcome and quality of life for patients suffering end-stage organ failure, individuals undergoing transplantation, and these patients' families, thus aligning with Nora's Gift Foundation's central intentions to:

- ★ Promote understanding of end-stage organ failure and its treatment options, including organ transplantation
- ★ Promote innovative research in the field of organ failure and transplantation
- ★ Develop and provide charitable research, educational support, and medical services for patients and their families in need
