

December 3, 2025
6-7PM EST

**School Nurse
Seminar Series**

COMMUNICABLE INFECTIONS AFFECTING PENNSYLVANIA SCHOOL CHILDREN

Join Dr. Jessica Ericson, a physician within the Penn State Health Pediatric Infectious Disease Team for a webinar on common infections affecting Pennsylvania school children. This session will allow participants to:

- Become familiar with the clinical presentation of common communicable diseases in children
- Recognize situations that warrant referral for testing
- Review the role of vaccinations in preventing common childhood infections
