

# Multi-Tiered Systems of Support School Mental Health Study

*Are you a member of an Multi-Tiered Systems of Support Team implementing school mental health services? If so, we would love your help!*

We are researchers from Indiana University-Bloomington. We are asking for your participation in a study that focuses on school team members' experiences in collaborating with other professionals to support school mental health services in a multi-tiered systems of support framework.

All participants' information will be kept confidential.

## Study Requirements:

- Take a 15-20 minute survey.
- Option to complete a 45-60 minute interview to speak more in-depth.
- Completion of both the survey and the interview is estimated to take 60-80 minutes.
- Copy the link to access the Study Information Sheet and the survey: [https://iu.co1.qualtrics.com/jfe/form/SV\\_5AYPI8BN80RTzN4](https://iu.co1.qualtrics.com/jfe/form/SV_5AYPI8BN80RTzN4).
- Participants are eligible to receive 1 of 10 \$30 Amazon gift cards for survey participation.
- Participants will receive a \$50 Amazon gift card for their participation in the interview.
