Heal. Empower, and Inspire

Learning Objectives

Presentation Title:        “The Food Literacy Project at Oxmoor Farm: Cultivating a Culture of Health”

Speaker(s):               Carol Gunderson, BA
                          Executive Director & Founder
                          The Food Literacy Project at Oxmoor Farm

Objectives:

1. Discovery-based learning/Field-to-Fork Program: Participants will explore how hands-on, “field-to-fork” experiences can influence healthy behaviors and inspire young people to champion health and wellness in their families and peer groups.
