2018 Conference

Reclaim Nursing
Heal, Empower, and Inspire

*Learning Objectives*

**Presentation Title:**  “Rescuing the Rescuer”

**Speaker(s):**  Heather Norris, DNP, RN
Faculty, Eastern Kentucky University

**Objectives:**

1. Discuss the problem of failure to rescue and new graduate nurses as a population of concern.
2. Discuss simulation education as a teaching methodology for patient rescue for new graduate nurses and the development of an evidence-based project.
3. Discuss measurable outcomes for patient deterioration simulation education and new graduate nurses’ self-confidence and competence.
