

CALL FOR ABSTRACTS

12th Annual Advanced Practice Provider (APRN & PA) Leadership Summit

The Advanced Practice Provider Leadership Summit is the first and longest running national conference for healthcare leaders and clinicians to share information, develop a consistent platform and map out solutions for universal and reoccurring struggles involving the administrative, managerial, policy and practice aspects of advanced practice (advanced practice nursing and physician assistants). It remains the leading conference for healthcare administrators and leaders directly or indirectly engaged with PAs, NPs, and other advanced practice roles (e.g., CRNAs, CNSs).

We invite you to share your work with colleagues and peers by submitting an abstract for a podium or panel presentation to be considered for the 2019 conference. Conference events will take place September 11-14 at the Ritz-Carlton, Pentagon City in Washington D.C., and be hosted in partnership with MedStar Health.

*Honorarium: \$250 for podium presentations; \$100 for panel presentations
speakers are required to register for the conference
