THE CONFERENCE SITE

Merv Griffin’s RESORTS Casino Hotel in Atlantic City, NJ is located on the world famous historic Atlantic City Boardwalk, which was first built in 1870 as a wooden sidewalk to keep sand out of hotel lobbies and railroad parlor cars. You will be within walking distance of other landmark hotels and casinos, shopping, amusements, attractions, and eateries, and of course the beautiful white sand beach of the Atlantic Ocean is right out front!

In addition to the splendid hotel shops, you will find The Shops on Ocean One, a mall built on a Boardwalk pier shaped like an ocean liner and filled with shops and restaurants. Visit the Absecon Lighthouse, built in 1857, designed by Civil War General George Meade. At Brigantine Beach, nearby, you will find the Sea Life Museum at the Marine Mammal Stranding Center, devoted to rescuing and returning stranded whales, dolphins, porpoises, seals and sea turtles to natural habitat.

Cruise the coast or 100 miles out to the “canyon,” tour the bay and inland waterways areas near Atlantic City. Golf in nearby courses. Try your luck in the casinos. Enjoy a gourmet dinner or wine tasting experience at local wineries. It’s all here… and more! Plan to vacation before and after the conference.
