

GO HAITI

QUICK FACTS FAQs

WHY ARE WE GOING?

Haiti was once estimated to be one of the richest colonies in the Western Hemisphere. It is now listed as one of the world's poorest countries. We assist in ministering to displaced people around the Port-au-Prince area because of the 2010 earthquake.

WHO DO WE PARTNER WITH?

We partner with Nehemiah Vision Ministries. NVM is committed to helping people improve their lives and their current living conditions. This is done one person, one relationship at a time. To learn more about this ministry, please visit <https://www.nvm.org/>.

WHAT WORK WILL WE BE DOING?

The high school GO Team will come alongside the NVM staff and school leaders to assist in facilitating a variety of projects in and around the NVM campus and communities they serve. The team will host and help facilitate a teen to teen discipleship conference. They will also be ministering to the American missionary families, the Haitian staff and the youth residents of the Children's Home on the NVM Campus. Light construction projects are a possibility as well.

WHO CAN GO?

This trip is open to all high school students. An application should be submitted for this trip, and participants will then be selected based on that application. Our goal is to have student mission teams with varying global experience and personal talents. Participants must also obtain a valid passport. Passports that expire within six months of the travel dates will require a renewal.

HOW DO I PAY FOR THIS TRIP?

Northview Outreach believes in growing our global community to serve not only as goers, but also as senders. We firmly believe it is in the best interest and health of the GO Team participant to ask others to be a part of their global community. Asking for support from family, friends, coworkers and neighbors allows for the impact of this GO Team trip to grow exponentially. As a department, we do not organize fundraisers or provide any financial assistance for applicants. Rest assured that we will coach you through and equip you with tools to help you be successful with your personal fundraising.

ARE THERE REQUIRED VACCINATIONS?

Please contact your healthcare provider for more information and suggestions for necessary vaccinations no later than one month prior to leaving for Haiti. Recommended vaccinations or prescriptions include: Tetanus, Hepatitis A or A/B Combo, Anti-Malaria Rx, and Anti-Diarrhea Rx.

DESTINATION

Chambrun, Haiti
