

## **IMAGE DISCLOSURE CHILD PROTECTION POLICY**

Visitors, volunteers, and staff may take photos of students in school or at Nyaka sponsored events in adherence of this policy. Volunteers and visitors should be advised of this policy and are required to adhere to it.

### **Permission Procedures**

Nyaka believes that every child has the right to dignity and safety. In accordance with this, all students and their guardians will be asked to give permission to use their images at the time of the student's admittance to school. Permission is not a condition of receiving services from the Nyaka AIDS Orphans Project.

### **Use of Photos Outside Nyaka**

Nyaka must be informed and give consent before images of NAOP students can be used for any purpose. Photos must include an NAOP logo, website, or the organization's name or the photo must be otherwise identified with the Nyaka AIDS Orphans Project when posted online or used in social media.

### **Dignity & Safety of Students**

Every student is entitled to dignity and safety. In addition to consent of the student and their guardian, the Nyaka staff must evaluate potential risks to the dignity and safety of all students before using his/her image or when allowing volunteers/visitors to use student images. They should not use the image when there is a reasonable risk of harm or injury to the child. Issues of concern may include: HIV/AIDS status or pregnancy status.

I have read and agree to the policy stated above.
