Streetcar Lines Using the Newark City Subway

Most of the information is from The Public Service Trolley Lines in New Jersey; the lines were traced on USGS topographic maps. Also see http://www.nycsubway.org/nyc/newark/ for information. Please email spui@mit.edu with any corrections.

This map was drawn by SPUI. No intellectual property rights are claimed. Use it how you wish.

opened 5-26-1935 Broad St to Heller Pkwy along former Morris Canal
