ZETTI CREDENZA

The Zetti credenza is a unique and elegant storage solution. Clean lines set off its minimalist design, while contrasting or monochrome colors make it an easy match for your conference room or any of the Zetti tables. Specifically designed to accommodate open spaces, use this piece to store personal items or office supplies. Its' slanted legs give the Zetti Credenza lightness while the multiple configurations of doors, shelves, drawers and openings are designed to accommodate any need.
