

AGORA II SQUAD

TSQ3N723042N

AGORA II SQUAD

Available in a range of heights, AGORA SQUAD creates a comfortable workspace that promotes creativity and collaboration by facilitating standing meetings for dynamic work sessions. The high tables now feature a footrest that provides a focal point for linear arrangements.

Wire management

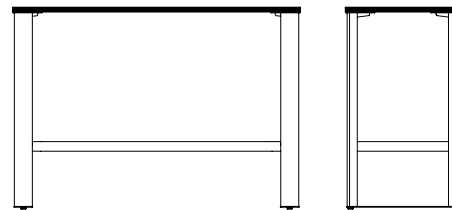

End panels add an attractive element to the design of the space, while the addition of a wire cover helps complete its sleek finish.
