

COAST TABLE

The Perfect Add-on to Modern Workspaces

COAST TABLE

Expanding on a modern and flexible collection, COAST tables are a perfect add-on to any collaborative space to further personalize workspaces. All stylishly designed tabletops are 1" thick and feature a durable high pressure laminate or melamine surface finish

For meeting or dining spaces, rectangular tables are paired with either 26" or 29" tall, squared monopod legs. For coffee break areas or smaller workspaces, tables feature 15" tall cylindrical legs and offer users four distinct tabletops and looks: round, square, rectangular, or a refined teardrop design.

With its various possible styles and choices, COAST table designs will assuredly fit into your desired layout.
