

Sentinel
Office Seating

artopex®

The Sentinel chair was designed to respond to the specific needs of today's business professionals. Behind its sleek and sophisticated look is the strength and durability required to stand up to your workday. No matter how many hours you spend at the office, Sentinel will keep watch over your comfort.

Discover the comfort of an upholstered seat with a "waterfall" front.

Sentinel is designed with a moisture-wicking fiber and a high-density polyurethane foam to ensure a longer lifecycle.

Available in 2 seat widths (standard and large) and 2 backrest heights (medium and high).

Customize the Sentinel chair with a choice of fixed and adjustable arms.

Greater comfort is possible with the Ultra-Flex® seat option, a technology that eliminates pressure points and encourages blood circulation.

Choose from a variety of bases.

Footing options: hard wheel casters for soft surfaces, soft wheel casters for hard surfaces or glides.
